CSE CT - 01

Set A

1.Write down the structure of: if else statement — 3 marks

2.Write down the algorithm, flowchart and C program for:

Calculate the root of a quadratic equation. Test Data: 1, 5, 7, -7

Set B

1.Write down the structure of Switch Statement

2.Write down the algorithm, flowchart, C program for:

Take a coordinate point (x,y) and determine in which quadrant the point lies
